Year End Greetings

by President Bill Roan

Steve and Pat Dettmer once again did a fine job of organizing the club's Christmas party. They accomplished all of the planning, arranging for the food and shopping for unique presents, while still handling the duties of treasurer and membership chairman.

If you didn't make this year's party, do your best to attend next year. These holiday events are the highlight of our social calendar. Just the thing when it's too cold to put the top down.

Whether you have sold your car or are between cars, you are still welcome to attend and socialize. It's the people that make the club. Without you, it would just be a used car lot.

Thanks again to all of the volunteers who make our meanders, winter luncheons and Adopt-A-Highway effort possible. Here's looking forward to another great year in 2024.
