

THE *M* EDITION

Cabin Fever Luncheon

by Pat Dettmer

The Delta 109 restaurant is beginning to be a favorite place for our group to hang out during the winter months, as we anxiously await for warmer weather. Sixteen members gathered once again for lunch on February 18. Steve and Pat Beam planned the event, but could not attend due to family commitments (rooting on their grandson's basketball team). Luckily the other "Steve and Pat", the Dettmers, live close by and stepped in to greet the members.

Along with our usual regular members enjoying the lunch and conversations, we also were happy to have longtime members Don and Barbara Barkley join us. Pat also introduced new members Rick and Kim Biddle of Holland. It turns out that they have connections with the club going back many years. Kim's sister Boo, brother Tom and parents Dick and Marylou Huffman have all been NWOHio Miata Club members. That is what makes our gatherings so fun and unique. You never know who you will meet there.

Hope to see you at the next event!

2023 Event Help Needed

It's again time to fill in our event program with meanders for April through October. Contact Bill Roan and Bill Potvin to get dates on the calendar. No need to get fancy: a nice easy tour ending with dinner is just fine.

And remember, for folks who haven't planned an event before, our more experienced members will be happy to help.
