

THE *M* EDITION

Fall Frolic & Bonfire

by Steve and Pat Dettmer

Whoever thought we would be enjoying our annual fall campfire with weather ideal for a Miata meander! Such was the case as sixteen members and two guests arrived at Sue Greeley's country home with lots of sunshine and mid 70's temps. Even though it was a mild afternoon, the campfire was burning to prepare for those wanting to roast hotdogs later.

Most members enjoyed sitting around the campfire catching up on how their summer had been. Sue, along with Steve Dettmer, Marv Himmelein, and Bob Reitzel got a rousing game of corn hole going. Even though she

had never played the game before, Sue was very competitive in the group.

As the sun was beginning to set in the west, some prepared to leave before dark while others gathered closer around the campfire. Steve entertained the group playing "name that tune". Bob and Cheryl

Reitzel, along with Jim Somerville and his friend, Sandra, did a good job of answering correctly.

Later in the evening, we were happy to welcome another Miata guest to our social gathering. Quentin, who is from the Indianapolis area, had recently purchased a '99 NB in brilliant black. He is in the Toledo area for a few months for work. Finding our NWOHio Miata Club online, he asked to join in the fun evening. Within the short time he was there, he was also enjoying the music trivia and fellowship. He, along with the last few people left, helped clean up after the party.

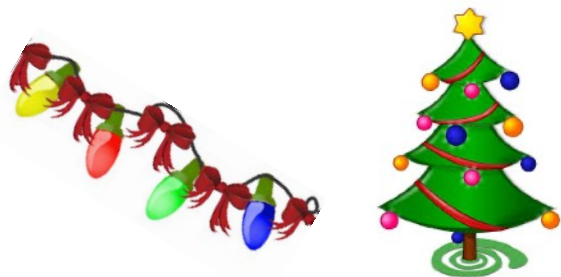

Special thanks goes to Sue Greeley for preparing the area and graciously hosting our annual fall campfire. Your efforts are greatly appreciated.

One More Lunch Needed

Thanks to Steve and Pat Beam, we now have our first two winter luncheons on the schedule. A lunch or dinner for March would complete that part of the calendar, and we could start looking ahead to warm weather meanders.

If you'd like to volunteer for the March event, or be the first on your block to schedule a 2023 meander, contact Bill Roan or Bill Potvin to get the place and date listed.
